Dear Harold,

Mac Donnell. Fine credentials. Yet if "a seasonal gum" was fired, when and where? A total reconstruction. On part, dabbling.

The Seasonal Gum, made "paints" yet its Canada solution was absurd.

A reason why the Magic assassinations are unopened - to open one believes the doubt in all.

I give more credit to Wallace than Tod. Tod's position - the subject is "moral" to come up. "A roof-rocker." "A dead Brotherhood" is no Brotherhood." His place in our interest over the bodies and graves of our Martyrs?
